

My name is Hilary Stoudt, the new President of the West End Association. Dave Hamelin, Kelly Stevens, Jesse Jablon, Dave Haberfeld, Sammy Vasile and the rest of the association leadership team have been incredibly generous with the time they give to Bristol's West End and I am appreciative to no end for their assistance with this transition.

Support for, and within, the West End is exciting for the City and the neighborhoods that make up the fabric of the community. Everyone deserves a safe and prospering environment to live in, and the West End Association has led with this at the forefront of their mission. It is a huge honor, and a responsibility I don't take lightly, as we move through 2022 and the coming years. A lot of sweat, love and tears have gone into aiding the downtown in a renaissance. There is much left to be done and I am excited for the possibilities that lay ahead!

We are now in the middle of our Taste of Bristol restaurant promotion and starting the planning of the Rocking in Rockwell summer concert series with the City of Bristol and the Rockwell Park Summer Festival on Saturday August 20, 2022. This is an exciting year as we look forward to the full return of these events.

There is still a lot of work to be done. Planning these events and looking for new ways to improve the neighborhood will require your help. As we emerge from the pandemic, we all need to engage in our home community, the people who make up our great city, and all that makes Bristol "All Heart".

Join us at our next meeting and learn about us, what we do and how you can make a difference.
